NOT VOTING—1

Rounds

The PRESIDING OFFICER (Mr. KELLY). On this vote, the yeas are 67, the nays are 32.

Three-fifths of the Senators duly chosen and sworn having voted in the affirmative, the motion, upon reconsideration, is agreed to.

MOTION TO PROCEED

The clerk will report the motion.

The senior assistant legislative clerk read as follows:

Motion to proceed to H.R. 3684, a bill to authorize funds for Federal-aid highways, highway safety programs, and transit programs, and for other purposes.

The PRESIDING OFFICER. The majority leader.

Mr. SCHUMER. Mr. President, I want to commend the group of Senators who worked with President Biden to reach an agreement on a bipartisan infrastructure bill. The Senate has just come together and, in a strong bipartisan fashion, voted to begin the legislative process here on the Senate floor.

For the past few months, I have laid out a two-track strategy on infrastructure: a bipartisan bill, focused on traditional, brick-and-mortar infrastructure projects, and a budget reconciliation bill, where Democrats plan to make historic investments in American jobs, American families, and efforts to fight climate change.

In order to start work on a reconciliation bill, the Senate must pass a budget resolution first. As I have said repeatedly, our goal was to pass both bills in this session—hopefully, in July.

My goal remains to pass both the bipartisan infrastructure bill and a budget resolution during this work period—both.

It might take some long nights. It might eat into our weekends. But we are going to get the job done, and we are on track.

Again, the vote tonight means we are on track to reach our two-track goal before the Senate adjourns for the August recess.
